

Summer Camp 2024

During the summer, we offer an 8-week summer program that is Monday through Friday 7:50am-5:30pm. This summer our camp will run from June 3-July 26. The Summer Camp Program provides our youth with the opportunity to engage in the social and recreational activities they require to promote healthy living, support social relationships, improve life skills, and foster community involvement. Daily programs include field trip outings, sports, art, cooking, social skills, music, movies, and visits from community vendors for further enrichment opportunities! Prior to registration, all new participants must complete an admission interview.

Summer activities fee - \$150.00

Full-day Camp (7:50 – 5:30) - \$40.00 daily

Half-day Camp (7:50 – 12:30) - \$30.00 daily

The summer activity fee covers field trips, vendors, and other activities provided throughout the summer.
